47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has been a great service provider and great alternative to the big players. Sonic is reliable and most importantly affordable. Their telephone and broadband services are a critical need for our home. Everyone in my neighborhood has switched away from the super expensive providers like Comcast and AT&T didn't even offer high speed services when I was in the market last year. Thank you Sonic.
